Customer Profile

NEISD automates processes, reduces errors, and cuts costs with Infor

Facts at a glance

Solution: HCM
Products: Infor™ Lawson Enterprise Management System, Infor Talent Management
Industry: Public Sector/Education
Country: USA

"We chose the Infor product because of its commitment and proven track record in the public sector, particularly in Texas."

—Dr. Richard A. Middleton, Superintendent of Schools, NEISD

About the organization

The North East Independent School District spans approximately 140 square miles in the north central and northeast sectors of Bexar County, Texas. The majority of the district lies within the boundaries of the City of San Antonio, one of the fastest-growing big cities in the United States. The district is home to 66,613 students across 65 campuses, 11 magnet programs, eight alternative schools and 8,471 employees. North East is also home to its own Police Department to help ensure the safety of students and employees. To learn more, visit http://www.neisd.net/.

Challenges

- Implement a replacement system with robust functionality in order to automate processes and eliminate redundancy, human error, and work duplication.
- Gain greater efficiencies in business processes that would result in cost reductions.

Benefits

- Received a proposal of a solution built around what NEISD wanted to achieve that met all challenges.
- Began to resolve big administrative challenges.
- Allowed district to grow stronger.

"This enterprise-wide system will help us save costs, be more efficient, and better serve our community."

—Dr. Richard A. Middleton, Superintendent of Schools, NEISD
