

Infor Barcode helps you streamline your operations and meet customer demands in a cost-effective way.

# INFOR BARCODE FOR CONSUMER PACKAGING AND DISTRIBUTION

# **DO BUSINESS BETTER.**

Companies in the consumer packaging and distribution arena deal with a difficult balancing act—meeting customer demand while delivering product in a cost-effective, profitable way. This balancing act requires you to take advantage of the benefits that technology can offer. And that's where Infor™ Barcode comes in—it's an elegant solution that provides essential, real-world functionality within a user-friendly interface.

Consumer packaging and distribution manufacturers must jump through many hoops—demand shifts, consumer fragmentation, shorter product life cycles, private label competition, rising retailer demands and increasing regulation. Success means satisfying customer requirements while improving margins and cash flow. Let Infor Barcode bring back the balance, managing your toughest scenarios while you enjoy a simplified supply chain and a hefty bottom line.

# LEVERAGE EXPERIENCE.

Infor has more than 20 years of experience in helping comsumer packaging and distribution manufacturers do business better. We've helped hundreds of companies streamline their supply chain, take control of their manufacturing processes, and add to their bottom line. We can help your company achieve the same results with Infor Barcode.

# **GET BUSINESS SPECIFIC.**

Not only does Infor Barcode offer improved accuracies and user efficiencies, but it also brings the speed, flexibility, and agility required for success in today's tough consumer packaging and distribution marketplace.
