Get new capabilities with Infor 10x

Extend the value of your Infor™ solution and take advantage of technologies that can change the way you work with Infor 10x, the latest release of Infor's proven business applications. You get access to new capabilities in the areas of social business, mobility, analytics, and integration. You also benefit from major enhancements across Infor's core product lines, including Infor XA.

Experience the new Infor XA

Support growth strategies, get a new look and feel, and make better decisions faster with the latest release of Infor XA, which expands the core capabilities of this solution in a number of key ways, including:

- **A new modern user interface** that give users a familiar, easy-to-use environment designed to increase productivity, let employees easily find the information relevant to their jobs, and even have data delivered automatically to them. Once you experience it, you won't be able to imagine how you ever worked without it.
- **Expanded global capabilities**, with fast and easy integrations, simplified upgrades, and a high degree of flexibility.
- **Mobile enablement** that puts information at your fingertips, improves and speeds decision making, and makes it faster to access functional product updates.

- **Access to Infor™ Ming.le™**, a comprehensive platform for social collaboration, business process improvement, and contextual analytics. You get the most innovative social collaboration technologies translated into a business environment and fully integrated across business processes. From collaborating alongside your Infor XA solution to “following” people and objects, you'll solve problems and get work done in ways you never thought possible.

Increase the value of your solution and make the most of your maintenance investment by upgrading to Infor XA 10x.
