About the company

Accor, the world's leading hotel operator and market leader in Europe, brings its clients and partners nearly 45 years of knowhow and expertise. Accor has operation in 90 countries with 4,100 hotels, close to 500,000 rooms, and 145,000 employees worldwide. To learn more, visit www.accor.com.

Challenges

- Integrate software with existing solutions.
- Centralize all of its information.
- Meet Accor global requirements.

Benefits

- Streamlined operations by integrating Infor SunSystems into sales, purchases, inventory management, and reservations systems.
- Took advantage of a pre-defined chart of accounts that adheres to hospitality standards, pre-defined analysis capabilities designed for hospitality companies' general ledger, management and department structures, and reports and key performance indicators that provide in-depth insight into financial performance.
- Generated financial reports at any time with Infor SunSystems.

“With Infor SunSystems, we can generate comprehensive reports of all transactions generated within the hotel. It interacts with the rest of the existing management solutions in the hotels, such as commercial transactions, restaurant operations, bookings and rest of other related services.”
