"The budget and schedule have been met. For this purpose, regular coordination meetings took place and the schedules were immediately updated when needed."

—Helmut Mueller,
Julius Schüle Druckguss

About the company

Founded in 1951 as a tooling and injection molding company with just two staff members, Julius Schüle Druckguss now has more than 500 employees and specializes in aluminum casting products. The company provides customers with optimal manufacturing expertise, from product design and tool development to series production of finished goods. With ISO ITS 16949 certification, Julius Schüle Druckguss can assure customers its of superior quality and attention to detail. To learn more, visit www.schuele.de.

Challenges

- Streamline and increase the visibility of business processes.
- Improve overall performance by accurately capturing and sharing strategic business data.
- Better meet customer packaging requirements.

Benefits

- Increased the speed and performance of business processes.
- Improved decision making with greater access to accurate, real-time data.
- Created a foundation for further growth by providing the ability to implement customers' required processes.

"Infor Xpert not only improves our process visibility, it also helps us better meet our customers' requirements. The user interface is so easy that it took very little time for our team to adjust."

—Helmut Mueller, Controller,
Julius Schüle Druckguss
