

Customer Snapshot

# Killing Tintas streamlines business processes with Infor LN

## Facts at a glance

**Product:** Infor® LN

**Industry:** Chemicals

**Country:** Brazil

**Service partner:** Digifull

“Killing Tintas invested approximately US \$2.5 million in the whole project and this is making a difference in our company. Implementation was smooth with Infor and Digifull consultants working as a team with one goal.”

—João José Dewes, Diretor,  
Killing Tintas

## About the company

Since 1962, Killing Tintas has specialized in chemical adhesives for the shoe and furniture markets, as well as for the construction industry. With 500 employees, Killing Tintas is considered among the top 10 leading paint companies in Brazil. The company has recently opened a new site in Argentina. ## Challenges

- Have more control over daily financial invoices.
- Reduce costs.
- Upgrade systems without disruptions.
- Integrate new systems to Mastersaf, an existing software system.
- Enhance data security.
- Improve operational efficiency.
- Predict financial results.

## Benefits

- Gained control of how to more accurately manage more than 450 daily financial invoices and reduce costs.
- Performed smooth upgrade with no major disruptions.
- Integrated Infor LN® to Killing Tintas’ existing software, Mastersaf, to meet local tax requirements.
- Improved decision-making by making operations more efficient.
- Optimized manufacturing processes to decrease operational costs.
- Acquired the ability to better predict financial results.
- Integrated business processes and eliminated manual interfaces.
- Improved data security.

“We have been using an Infor solution for several years, and with our consistent year-over-year growth we needed a solution that would not only support the requirements of our current organization but would adapt as our business needs change. Upgrading to Infor LN was the perfect choice with its new features and robust functionality to support increasing industry and customer demands.”

—João José Dewes, Diretor,  
Killing Tintas
