“We’ve transformed our HR Service Delivery, eliminating paper and ensuring data accuracy with a standard process. We offer 24/7 employee service, and we’ve become a better team with improved process flows, reducing department silos and duplicated efforts. After that success, we’ve accelerated the manager self-service implementation.”

—Jeffrey R. Hamilton, VP of HR,  
Mohegan Sun

## Challenges

- Reduce manual and paper processes.
- Minimize visits and calls to HR by giving employees 24/7 access to consistent, accurate data on HR policies, benefit plans, and government regulations.
- Offer improved overall customer service for employees.

## Benefits

- Eliminated paper and reduced manual processes with their inherent errors, providing concise, accurate, and consistent information to employees via a 24/7 portal that they can access from anywhere.
- Reduced the HR administrative workload and costs, allowing staff to focus on more strategic activities.
- Gained 90% positive feedback from employees after a fast implementation, resulting in an accelerated timetable to implement manager self-service capabilities as the next phase.
- Demonstrated to senior management that financial gains result from not only process improvement, but from happier front-line employees who deliver better customer service to business patrons.

“We needed to get HR out of the paper-pushing business, and back to doing what HR does best: planning the resources we need to succeed and grow. We wanted all employees to have easy access to consistent information, whenever they needed it.”

—Jeffrey R. Hamilton,
